# Community Education Center

We have a community training center which provides the highest quality medical training for the citizens and medical professionals of our community. For more information on training at your location or ours please contact Wynn at 904.805.0293

CLASSES

CPR ★ ACLS ★ PALS ★ PHTLS ★ HIV/AIDS ★  
EVOC ★ FIRST AID ★ FIRE SAFETY

We have five locations strategically placed throughout north Florida to provide emergency services to our residents, the United States Navy, hospitals, Duval County school board, nursing homes, clinics, doctor's offices and etc...

Our University of Maryland at Baltimore County trained Critical Care Paramedics are the highest trained prehospital emergency medical professionals in north Florida.

These highly trained professionals, along with their specialty equipment and customer service, make Liberty Ambulance stand out amongst all other emergency services. We lead in providing local and long distance medical transports, standbys for sporting events, along with television and major motion pictures. We provide qualified medical professionals to match your specific needs. When you have a medical need for an ambulance don't settle for mere transportation, when you can have the best in EMS service for the lowest cost to you or your organization.

To obtain more information please contact Chief Dwayne Perkins at 904.721.0008 ext 237
